

NAWO Membership Procedure

The National Alliance of Women (NAWO) is a membership based organisation.

In order to facilitate greater participation of grassroots women activists and also to bring onto the national platform smaller women's groups and organisations, we have kept a very nominal and affordable membership contribution. This we hope will create a wider and more expansive outreach for NAWO, thereby making it truly reflective of regional women's aspirations.

Hope the membership contribution will not act as a deterrent but instead give all NAWO members a sense of involvement in the process we have set forth together.

	<i>Annual Membership Rs.</i>	<i>Life Membership Rs.</i>

2. Institutions— Women's Studies and Research Centres & others	250.00	2,500.00

Submission of membership forms

Membership drive is to be basically a regional/state level activity, in order that all NAWO members are in close touch with their focal points. This will help in strengthening NAWO state units.

Please therefore post your application to the respective NAWO focal point in your state.
